

The Ultimate School Yearbook Creation Web App!

Build a simple, themed book within minutes or scale things up and use the feature-rich application to tweak every detail for your new masterpiece!

FEATURES

TRUE MULTI-USER

Work on the same page in a project at the same time as your other PLIC Book users! Even see who is active and what they are working on in real-time!

AUTO-MAGIC LAYOUTS

Pick a class and drag a layout, it's that easy. Add Clipart and other images to the page and they will automatically adjust the class photos so you never have text overlap or missing subjects.

PAINLESS SUBJECT DATA TOOLS

Using Drag-n-Drop with subject cards; correct, copy, move, or rename your subjects and their class batches without drama.

CANDID SUBMISSION MADE EASY

Directly submit candid photos from any source. Load and sort right into the program or directly connect to CaptureLife for the ultimate in candid delivery!

THEMES

Choose from our themes or create your own! Drag your theme onto the page and watch the magic happen.

"IS PLIC BOOKS FOR ME?"

If you are an independent photographer or print for independent photographers who is looking for the best tool on the market to provide their schools the ability to create and sell yearbooks, then PLIC Books is the answer for you!

CREATING YEARBOOKS MADE EASY

...Not only for your studio, but for the school admins or PTA/PAC you're working with!

- Drag-n-Drop to make intricate designs with an easy-to-navigate user interface
- Increase your sales and allow parents to sponsor another child's yearbook with Adopt-a-Book
- Use our built in storefront to sell yearbooks, ads, and upgrades
- Create ads and collect revenue in a tracked environment

CAPABILITIES

DESIGNED FOR THE WEB

Access and design your book from anywhere on any device.

ADD TEXT IS A SNAP

Choose from a full range of fonts and colors and add text to any page with the click of a button.

UPLOAD GRAPHICS AND CLIPART

Create your very own unique set of content for just your users and allow your schools to create and add their own graphics as well.

FULL BOOK PREVIEW

Use the preview function to organize your book as well as view proofs and instant submissions.

ABOUT PLIC BOOKS

Plic Books is an easy to use, robust, and secure yearbook design software that is currently in use in over 6000 schools across the US & Canada. A feature rich application, driven by customer input, PLIC Books and Sports Books are 100% web based and usable in any environment or on any platform.
